## Services

### Initial Assessment

A preliminary health assessment is required prior to delivery of Total Living Home Care™ delegated nursing services (Initial Assessment is not required for home making services.) This individualized assessment is performed by our Registered Nurse (RN) to clarify your needs, as well as determine the level of assistance and support you need. You and the RN will develop a service plan reflecting your needs, schedule of services, and financial obligation. Cost: \$175

### Medication Set-up

Once every two weeks, a Total Living Home Care™ nurse will visit you in your home for a wellness visit which includes taking your blood pressure and vital signs, performing a weight check, and setting up your medications. This service includes consultation with you, coordination with your physician and pharmacy for medication orders, and compliance assessment. Cost: \$125 every two weeks

### Medication Reminders

A daily telephone call will remind you to take medications. Cost: \$8/day

### Foot Care

Our Total Living Home Care™ home care nurse will provide you with foot care in your home. Cost: \$40/visit

### Laundry

Volunteers of America–Minnesota is a nonprofit organization founded in 1896 which offers a wide variety of services for more than 27,000 children, adolescents and their families, older adults, students, persons with disabilities and special needs, and ex-offenders each year. We are one of the oldest, largest and most comprehensive human service organizations in the state and have more than 60 programs, 700 employees and 4,000 volunteers. We have a rich history of developing innovative programs to meet emerging social issues and pride ourselves on sponsoring programs which are able to explicitly articulate the outcomes achieved in our program participants' lives.
